**Property type:** Single Family Home

Don't miss this one! The beautiful entry foyer opens to the inviting living room with cathedral ceilings and a full wall of windows. The see-through fireplace serves the hearth room that adjoins to the open kitchen with custom cabinets and granite, including a new double oven and dishwasher. The main floor home office can stay or be converted back to a dining room. The master suite includes a sitting area, fireplace, luxury bath and access to the deck. The finished basement won't disappoint!

The broker, seller, builder, and/or developer does not guarantee the accuracy of information such as square footage, lot size, architectural images, or other information concerning the condition or features of subject property. Information is deemed reliable, but is not guaranteed. Information may have been obtained from public records and/or other sources, and all buyers are advised to independently verify the accuracy of any and all information through personal inspection with appropriate qualified professionals.
