MAJESTIC SUNSET HOUSE - JUST REMODELED AND GORGEOUS! This big water sunset home has all new plumbing, all new flooring, fresh paint, and a spectacular view. Of course there is already a dock with lift in place, but that's just the beginning for this home. A potters garage is on the property, along with an adorable shed for tools, and a fenced in garden space for those who love home grown vegetables and don't want to ward off critters. A bubbling fountain greets you at the back door sunroom. Once inside, you'll enter a foyer with mudroom and half bath off to your right. To your left, a wonderful great room with fireplace and cathedral ceilings offers casual elegance. The master suite is on main. Add a door here if you would like and escape to your own private suite of rooms. Upstairs there is also a sitting room in the center
