A Master Gardener has turned this place into a lakefront paradise! You'll love the forever view straight down the biggest deepest part of Lake Greenwood - miles of Sunset glory for your evenings. The rest of the time enjoy the gardens, the fire pit, and wonderful views from most rooms in the home. This house is unique in that every bedroom has its own full bath. The great room has cathedral ceilings and gas logs already in the fireplace. This home offers a perfect blend of traditional and lake living, so the furniture you already have will most likely work here. Lakeside there is a covered swing porch to enjoy the view....and there is a place to swing on the dock. It already has a covered slip with lift. The home is freshly painted inside and out. There is a very large outbuilding for pottery, cabinet making - whatever your heart leads you
