

464 East Navajo Trail

San Tan Valley, AZ

6 bedrooms | 5 bathrooms | 3,926 sq.ft. | built in 2006 | priced at \$299,900

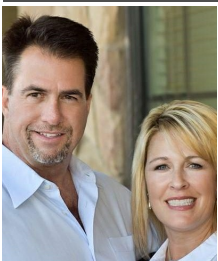

Wow, you will not believe the use of space. This incredible home has 6 bedrooms, all with bathroom access. All five bathrooms feature granite counters. Two bedrooms and two full bathrooms downstairs, one is actually its own private casita with private entrance. As you enter this large home you are met with a grand entry with soaring ceilings and wood spindle banister railings. The thoughtful arches and extensive tile give this home an opulent feel. The large kitchen features tall espresso dark cabinets, granite counters and backsplash and black and stainless steel appliances, and matching buffet area. The upstairs master suite enters through double doors and you are greeted with sunlight through the french doors leading out to you full walkout balcony with lit sconces. This balcony extends the full length of the home and has great views of the Superstition Mountains. The master bath has his and hers granite sinks, separate tub and shower and private commode room and large walk in closet and a second closet as well. There is a guest suite
