Here's that beautiful house on the golf course that you've been looking for. This house is in excellent shape and has 4 bedrooms, 3.5 bathrooms. It's hard to find a house this large with all the rooms on one floor, with a great open floor plan and located on a golf course. The large kitchen has Granite Transformations counters along with stainless steel appliances and an island as well. The kitchen overlooks the huge living room area, with wood flooring, crown molding and also has a fireplace. This home has a split bedroom plan with 2 suites, each has it's own attached walk in bathroom and closets. The master bedroom has 2 walk-in closets and a whirlpool tub. This home also has a central vac system and an intercom throughout the house and into the garage. The sun room is nice to relax with your coffee in the morning or a good book at night. The additional entertainment room off the sun room is a great game area for the whole family, or you can open all
